Attention: Mr. Donald R. Guthrie, P.Eng.
Director of Environmental Engineering.

Dear Mr. Guthrie:

Thank you for your letter of September 19th. I will send you a purchase order of \$4,657.00 for your proposed soil sampling program. Al Pfundt of U.S. Steel Realty will inform you of the location of these lots on 'Brittany Place', and will give you written permission to enter the property to take samples.

I would like to retain the soil samples, for I might wish to carry out additional measurements on them at a later date.

Thank you

A.G. Scott,
AGS/um
